HOW TO TEACH THIS LESSON:

Each unit has a BIG IDEA. This lesson is the 2nd Art lesson in a unit called, "Goodness." Students will learn that goodness is being pure and true to God in all that you say and do and can only come from the Holy Spirit. They will study art by Pollock, Courbet, and Van Gogh. They will explore the question, "What makes art good?" They will create Drip Art (inspired by Pollock) that reminds them that though we may try to follow all of the rules (like painting inside the lines) that does not make us good.

In the notes section of each slide, you will find a teaching guide. The notes are used to guide the children in discussion. They also may include in-depth history on the subject. **Notes in BOLD** are meant to read aloud to the students.
